## > Track Your Shipments

You can track your shipment from aramex.com home page by entering your shipment(s) number(s) in the tracking box and clicking *Track*; all the information about your shipment will be displayed.

## > I want to...

### 1. Schedule a Pickup:

You can schedule a pickup for Aramex to pick up your shipment from the address that you specify either locally or internationally.

### 2. Prepare Shipment:

Use this link to prepare a shipping waybill that contains all the information about your shipment and send a pickup request. You can later print your waybill and a handover report to give to an Aramex representative.

**3. Track Shipments**

Use this feature to track your shipments. Advanced tracking options are also available only for registered users.

**4. Calculate Rates:**

Use this feature to learn how much it will cost if you ship from one place to another.

**5. Office locator:**

Find the address of any Aramex office around the world.

**> MyAramex**

**MyAramex is a special feature** that allows you to find all that you need in one place.

Please note that MyAramex is available to registered customers who linked their shipping accounts to their aramex.com profile.

## Registering on aramex.com

**Registration** is quick and free on aramex.com. Registered members will be able to access additional online services.

### > Why register on aramex.com?

1. Access shipping online and request an Aramex representative to collect your shipment.
2. Request instant e-mail and SMS notifications when your shipment is delivered.
3. Access MyAramex and enjoy full support from our dedicated staff.

### > To register on aramex.com follow the steps below:

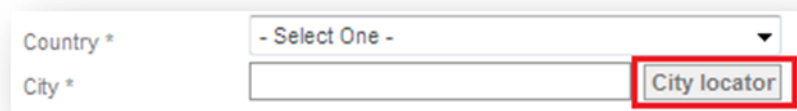

1. On the home page of aramex.com, click “Register for aramex.com”, located under “Login box” on the upper left corner.

2. Fill in your registration information (fields with \* stars are mandatory). Once completed, press Save.

### Registration tip:

**It's easy to select your city: choose your country then click on the small city builder icon next to the city field.**

The city look-up function will appear in a pop-up window. Simply type your city name or part of it then click Search. Use the drop-down menu to choose the city name and then click select.

3. When you have successfully completed the registration steps, Aramex will automatically send an e-mail to your mailbox.  
Activate your aramex.com account, by logging-in to your e-mail account and open the Aramex registration confirmation e-mail, and then click on the link to activate your account.

Please note that due to mailbox security policies and filters, some users have reported receiving the activation in their Junk/Bulk or spam mail folders, if you have not received your confirmation e-mail, please check these folders.

If you still cannot find the activation e-mail please send an email to [customersupport@aramex.com](mailto:customersupport@aramex.com) and provide us with your contact information and email, so we can activate your account.

## Managing My Profile

After logging-in, you will find the “My Profile” box on the upper left side of the Home page. You can access these features for your convenience:

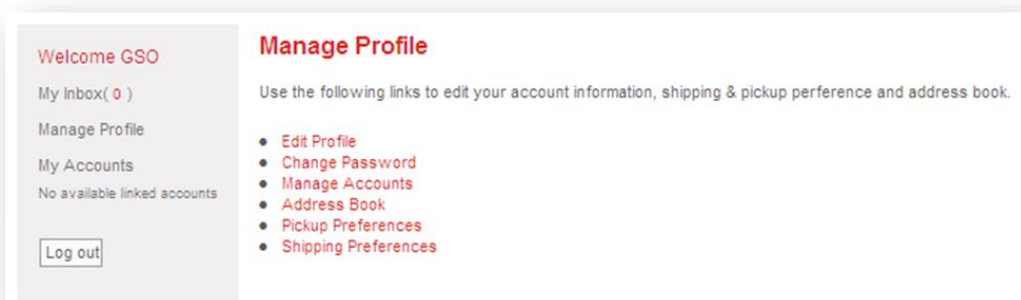

### > My Inbox

Your inbox contains messages from Aramex about new features and the latest service updates. Please check these messages as they contain valuable information that can save you time and effort.

### > Manage Profile

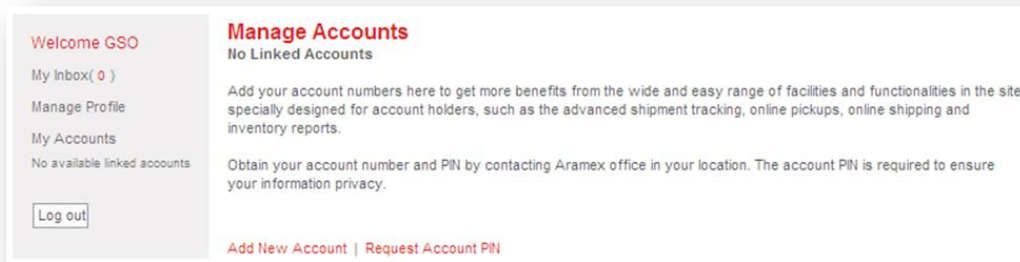

You can edit your profile information, change your password, link your account to your aramex.com profile, create your own address book and set your pickup and shipping preferences.

### > Manage Accounts

To link your account to your aramex.com profile:

Click on *Manage Accounts*. You can then add a new account using your account and PIN numbers. If you do not know your PIN number, click the “Request PIN” link and one of our representatives will contact you at the earliest time to help you.

Once your shipping account is linked to your aramex.com profile, your account name and number will appear under My Accounts.

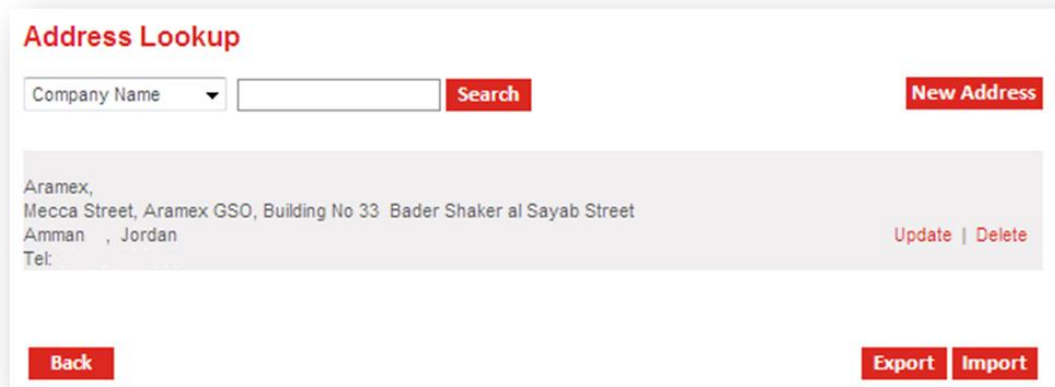

## > Logout

You can log-out of aramex.com by clicking on Logout. Logging-out is a safe practice that protects you against possible unintentional or malicious activity that could be carried out by users who will use the computer after you; especially if you are accessing aramex.com from a public computer

## The Address Book

To create your own address book:

1. Log-in to aramex.com Home page.
2. Click Manage Profile on the upper left corner.
3. Click Address Book.

The screenshot shows the 'Address Lookup' interface. At the top, there is a search bar with a dropdown menu labeled 'Company Name', an input field, and a red 'Search' button. To the right of the search bar is a red 'New Address' button. Below the search bar, there is a grey box containing the following text: 'Aramex, Mecca Street, Aramex GSO, Building No 33 Bader Shaker al Sayab Street Amman , Jordan Tel:'. To the right of this text are two red buttons: 'Update' and 'Delete'. At the bottom left of the interface is a red 'Back' button, and at the bottom right are two red buttons: 'Export' and 'Import'.

The address book allows you to:

1. Search for your address(es).
2. Create a new address: Click on “New Address”, fill in your information, and mark the address as shipper or recipient.
3. You can update existing addresses or delete addresses that are no longer required.
4. Export all your address (s) to Microsoft Excel.
5. Import addresses from an Excel sheet (please download our addresses template and use it).
