

ABED SHAHEEN
Chief Executive Officer - InfoFort

InfoFort is the leading Information Management Solutions Provider in the Middle East, Africa and Asia. InfoFort helps its clients, from SMEs to Fortune 500 companies, to secure, better manage their data, digitize and automate their manual process. It is wholly owned by Aramex.

Mr. Shaheen is responsible for positioning the company, developing and driving its global strategy and leading its expansion and growth. He has grown the company to today become the leader in 20+ countries, is currently driving its expansion and acquisition strategy into key growth markets, and leading its digital transformation.

Mr. Shaheen is passionate about strategy, leadership, innovation ecosystems, startups, technology, and empowering information driven sustainability initiatives. He recently launched Skillpowerment.com, a platform that aims to battle youth unemployment and its related poverty through connecting youth to companies for real market-based skill sharing.

He is an active member of the Aramex global management team, its information security council, a member of the Executive Leadership Council at AIIM, the Young Presidents Organization (YPO), and Fellow of the Aspen Institute's Middle East Leadership Initiative. He is passionate about writing and speaking on topics related to strategy, innovation, information management and governance.

Mr. Shaheen holds a Bachelor of Science in Computer Science and he also received his MBA from Bowling Green State University (BGSU), USA. Moreover, he has also completed executive management programs at MIT, USA, IMD, Switzerland and Singularity University, San Francisco.
